

How Do I Register For Camp Boca?

Skip the wait and instantly find out the status of your application!

Follow these directions to register online:

- Go to <https://webtrac.ci.boca-raton.fl.us>
- Login using your Username and Password. If you do not have one, visit any of the 3 community centers with a proof of residency and receive one at the front desk.
- Once in the WebTrac system, hover over Search → Activity → select Search.
- In the Keyword Search bar, type “shortcut”.
- Click on the shopping cart to the left of the program(s) you would like to select. Once you’ve added all of the programs, click on the red pop-up that says “Enroll Now”.
- Now you will see all of the members on your account with the programs you selected. Check the boxes underneath the member(s) you need to register, and click “Add to Cart”.
- Then just follow the directions from there!

As always, you can contact Jessica Harvey in the Youth Programs Office for any help you may need!
