**BOCA RATON PUBLIC LIBRARY – SPANISH RIVER  
HOSTS TOUCH A TRUCK PROGRAM  
SATURDAY, MARCH 21, 2020, 9:00AM–12:00PM**

BOCA RATON, FL (February 6, 2020) – Round up the whole family to see, touch, climb aboard and learn about our City’s many fascinating trucks and vehicles at Touch a Truck! In partnership with the City of Boca Raton’s Municipal Services, Utility Services, Recreation Services, and Police and Fire Departments, the Spanish River Library is pleased to host this exciting program for its third year.

This family event will take place in the Spanish River Library parking lot at 1501 NW Spanish River Blvd. Truck operators will be on hand to demonstrate how their vehicles work and explain what they do. Check out a fire engine, sanitation truck, aerial bucket truck, dump truck, beach tractor, rescue boat and much more! Find out why they are such an important part of our community. Visitors are also invited inside the library for special story times and coloring pages featuring the trucks on display.

“I’m incredibly excited about the annual Touch a Truck event, which promises to be bigger, better, and more fun than ever!” notes Michael J. Kalvort, Recreation Services Director, CPRE. “Boca Raton Public Libraries are dedicated to educating our citizens of all ages through innovative and engaging methods. It’s my hope that this event inspires many of our Boca children to learn more about engineering, the public services our city provides, and the big trucks and machines that help us make Boca the great city it truly is.”

No enrollment is required. This free program will take place rain or shine! Children must be accompanied by an adult. Food will be available for purchase.

The Boca Raton Public Library provides outstanding library services, resources, and programs that meet the educational, recreational, cultural, and informational needs of library users in its two locations.
