Based on inspections performed by myself and/or the authorized representatives listed below. To the best of my knowledge, belief and professional judgment, those portions of the project approved for special inspections as indicated in the special inspection application and construction documents meet the intent of the Florida Building Code and are in substantial accordance with the approved plans.

Any proposal to install an alternate product or system to which the Florida Building Code applies have been submitted and reviewed by the City of Boca Raton Building Official and made part of the City of Boca Raton's record set of permit documents.
